

# Canary Cyber Security Report

Here is a status report about your home network. Please review it and follow up with appropriate actions. Remember that over two third of personal network intrusions occur due to weak passwords on your routers and devices.

## Your devices:

**MAC Address:** 00:19:9D:4B:BD:26

**Manufacturer:** Vizio

**Major issues associated with manufacturer:** Please check out the [National Vulnerability Database](#) for a list of current issues related to Vizio products.

**Number of open ports:** 4. Please seek ways to close more ports.

NUMBER	SERVICE	NOTES
